Re: Public Records Request

Dear Judge Barden:

Thank you for your letter of April 22. We in the Alamo City Rivermen have discussed the matter and we would like copies of all documents you may have responsive to our request. I understand that, pursuant to 1 T.A.C. § 111.63, we will be charged 10¢ per page for ordinary copies and that sheets larger than 8.5 X 11 may run more. I also understand that, according to the rule, there will be other charges any computer information. According to the rule, personnel time is to be billed at \$15 an hour.

Please let me know when we can get the copies.

Thank you.

Very truly yours,

Kenneth L. Bennight, Jr.
