Dear Ms. Pizinni,

I have been asked to respond to your letter dated October 20, 2001, requesting certain records under the Open Records Act.

The file containing the documents you referred to specifically, and to those to which you made a general reference are contained in a file in the Office of the County Judge of Medina County.

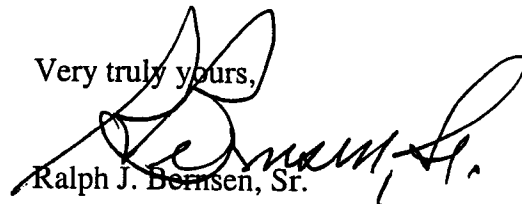

The file contains approximately 185 pages of documents.

Since you indicated in your letter that you would be willing to pick up the documents in person, I suggest that you stop by the Judge's office, review the entire file and designate the documents that you desire to copy so that you will not be charged for copying the entire file, if you do not want the miscellaneous documents in the file.

Someone in the Judge's office will provide you with the copies at that time.

Please feel free to contact me if you have any questions regarding this matter.

Very truly yours,

  
Ralph J. Bernsen, Sr.

CC: Judge David F. Montgomery  
Commissioner Beverly Keller
